Chromebook Supplies

6th grade is a one to one technology grade meaning students will be assigned a Chromebook and use them EVERY day in class. The following items are not required, but are strongly recommended in order to make using the provided technology easier for your student:

- Mouse
- Laptop case or sleeve 13.3 inch or larger .
- USB Writing Tablet - these are used every day in math class in order to be able to write and show work in math class. Math class does not have workbooks so all of the lessons are digital. The writing tablet allows students to complete work more quickly and accurately.

$$A^2 = B^2 + C^2$$

Math

- 2 packs of wide ruled paper
- 2 packs of pencils (1 pack will be donated to the classroom)
- USB Writing Tablet - feel free to shop around for one that is compatible with Chromebooks, but this is a link for the ones we have used in the past
<https://amzn.to/3gnVuss>
- *optional* - calculator
